READY FOR THE RUSH!—With cool weather just a few weeks ahead, the Southeast Alabama Gas District's skilled service representatives and big fleet of service trucks are all set. The District's thousands of natural gas customers will be calling on these men and trucks to re-light and adjust their pilot lights and adjust their burners before cold weather arrives. Photo shows part of service fleet gathered at main office in Andalusia, where men received instructions on rush season service.

1959 Chevrolets To Go On Display Thursday For First Time In Elba

A complete styling transformation, along with more safety, comfort and performance, was announced for the 1959 Chevrolet passenger cars which will go on display today at Ross Smith Chevrolet, Inc., local Chevrolet dealer.

The cars represent one of the most imaginative designs ever to come from the automobile industry, said Ross C. Smith, dealer.

In shape, and in detail, the new styling reflects the influence of a space-conscious age. Lines sweep rearward in a virtually level plane. Tops are flatter and visibility is dramatically increased.

Appreciably lower, the overall appearance of fleetness is further conveyed by an audaciously sculptured frontal area. At the rear, horizontal lines branch out from the center of the deck in a simulation of mobility that might have been conceived on the sands of Cape Canaveral.

While the unusual appearance will draw instant admiration, Chevrolet has not neglected other phases of engineering in its bid to continue the sales popularity registered by the company in 1958.

Apple Coffee Cake

Hot, fragrant Apple Coffee Cake, fresh from the oven, is tempting for breakfast time, coffee time, or at a late evening snack.

Some light red apples are "the teacher," while others stay home to brighten the kitchen and keep the coffee cake.

As you bake this quick coffee cake, the wonderful aroma of baked apples, flavored with cinnamon and sugar, will tempt early morning appetite. Here's a breakfast menu that ranks high in appeal and nutritional value.

Orange Juice
APPLE COFFEE CAKE
Scrambled Eggs

APPLE COFFEE CAKE
1 1/2 cups sifted enriched self-rising flour
1/2 cup sugar
1 egg, beaten
1/2 cup milk
3 tablespoons melted shortening
Crumb Topping
2 unpeeled red apples, cut in eighths
Salt, pepper, four and sugar. Combine egg, milk and shortening. Add to flour mixture, stirring until mixture is smooth. Pour into greased 8-inch square or round pan. Sprinkle with Crumb Topping. Arrange apple slices on top. Bake in moderately hot oven (350° F.) 25 to 30 minutes. Make 1 batch square or round coffee cake.

CRUMB TOPPING
1/4 cup sugar
1/2 teaspoon cinnamon
1/2 teaspoon butter or margarine
1/2 cup flour
1/2 cup brown sugar
1/2 cup milk
1/2 cup shortening
1/2 cup flour
1/2 cup brown sugar
1/2 cup milk
1/2 cup shortening

Combine sugar, flour and cinnamon. Cut or rub in butter or margarine until mixture resembles coarse crumbs.

NEW BROCKTON FHA ENROLLS 18 NEW MEMBERS

At an impressive ceremony, 18 new members were initiated into the New Brockton Chapter of Future Homemakers of America at its first monthly meeting Oct. 7, in the New Brockton High School auditorium.

On the stage was a table covered with a white cloth on which were eight lighted candles representing the eight purposes of the organization. In the center was a red rose, the flower of the FHA.

Soft music was played as each new member walked across the stage and was presented with red and white ribbons, the FHA colors, by the president, Patricia Lambert.

New members initiated were: Carolyn Sue Bryant, Gloria Byrd, Elizabeth Caylor, Wilma Dye, Eleanor Driggers, Betty Dye, Amelia Herring, Clyde Kelley, Shirley Ann Lot, Loretta McDaniel, Charlotte Moore, Madeline Pittman, Shirley Watkins, Sue Watson, Jamie Whitehead, Reba Ann Wilkins, Jerrie Wilson and Ramona Wilson.

Also included on program was a devotional given by Lela Ann Pirkle and a report of the Ann Pirkle and a report of the FHA workshop presented by

GO TO CHURCH SUNDAY

the officers. Judy Sawyer, recreational leader, led the members in group singing after which tea was served in the Home Economics Department.

COTTON VOTE ON '59 ACREAGE SET FOR DEC. 15

Secretary of Agriculture Ezra Taft Benson today proclaimed a national marketing quota of 12,107,000 bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 16 million acres for the 1959 crop of upland cotton.

The national acreage allotment for 1959 has been set at the level required under Section 342 of the Agricultural Adjustment Act of 1933.

The Secretary also announced that referendum on upland cotton marketing quotas will be held December 15. At least two-thirds of the upland cotton farmers voting in the referendum must approve marketing quotas if they are to be effective.

REGION LIBRARY RECEIVES CASH FROM U. S. FUND

The public library service in Montgomery has announced that Alabama has just received its share of federal funds for this fiscal year. These funds are provided through the Library Services Act which was sponsored by two Alabamaans, Lister Hill and Carol Elliott.

This revenue to local region, amounting to \$30,235.22 will be spent for books, magazines, filmstrips, recordings, furniture, supplies and salaries to enrich library services to patrons throughout the counties of Coffee, Covington, Crenshaw, and Geneva.

The Elba City Schools have been added to the school system receiving library service from the regional library. Miss Chris Talley of Opp is librarian for Elba Schools and she checked out 430 books from the bookmobile on its initial run to Elba Thursday.

Headquarters personnel, Mrs. Elaine Martin and George Johnson, spent two days the past week working with the librarian, Mrs. Glennie Rowe Smith, in Elba City Library classifying and lettering books.

First Aid Facts

Spiders—Ticks—Chiggers—Scorpions
FIRST AID WHEN THEY BITE OR STING

By Dr. Paul F. MacLeod

1. Spiders are not dangerous except for the notorious Black Widow found mostly in the southern and eastern areas of the United States. Contrary to popular belief, the bites of the tarantula and Brown Widow are not fatal, though they can cause considerable discomfort. The Black Widow's poison, which acts on the nervous system, causes immediate pain.

2. Wood ticks are flat, brown, one-fourth inch long, with eight legs. They are mostly harmless, but should be removed. The bite transmits germs, sometimes the germ causing Rocky Mountain spotted fever.

3. Chiggers are tiny (barely visible), red mites which inject an irritating fluid. They congregate under the arms and around the waist line.

4. Scorpions are three inches long, have eight legs, an elongated body and a tail which contains a stinger. Authorities say

that their bites are usually not fatal, except for one particular species. These are yellow scorpions originating in Mexico and found in the southwest. Their bites are not necessarily fatal either. As with Black Widow bites, the smaller the person bitten, the more severe are the results.

What you can do. Apply ice packs. Apply a tourniquet for five minutes above the sting. A rubber band may be used if it is in the finger or toe. Avoid cuts and infection (the method used for snake bites). Call your doctor if a child is stung, if the swelling does not recede, or any unusual reaction develops.

Justment Act of 1938, as amended, and the national marketing quota has been set at the number of bales required to provide an acreage allotment of this size.

The Secretary also announced that referendum on upland cotton marketing quotas will be held December 15. At least two-thirds of the upland cotton farmers voting in the referendum must approve marketing quotas if they are to be effective.

Like all '59 Chevrolets, the Impala Sport Sedan has Safety Plate Glass all around.

'59 CHEVROLET

It's shaped to the new American taste. It brings you more spaciousness and comfort with a new Body by Fisher. It has a new kind of finish. New bigger brakes. Fast new areas of visibility. New Hi-Thrift 6. It's new right down to the tires!

Chevy's all new for the second straight year! Here with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful decor. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves over head-windows are bigger, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier than ever. New suspension engineering gives you a smoother, more stable ride. There's a new Hi-Thrift 6 that goes and goes on a gallon of gas. V6's. New and bigger brakes. Even tougher, safer Tyres cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. Impressive new Impala models. Wonderful new wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

ALL NEW ALL OVER AGAIN!

4-H NEWS

Round-up
BY TOM CASADAY • ASSISTANT COUNTY AGENT

Goodman Club—It's always a pleasure to meet with the Goodman 4-H Club boys and local leaders. This club always meets on Monday and often times it's hard to get started on the first day of the week. But, in working with the boys and leaders, these clubs turn out to be good meetings. I missed Mrs. Hilda Lunsford who was out on sick leave earlier this week. Mrs. Gail Allen met with the Junior boys in the absence of Mrs. Lunsford and the club moved along smoothly. Incidentally, Mrs. Lunsford is certainly a dedicated teacher and when she is not there, she is missed by everyone. Wayne Smith heads the Goodman Junior Club 4-H along with Vice President Harry McIntosh and Secretary Jerry Jones. Terry Thompson is Devotion Leader and Johnny Lolley is song leader. In the 4-H Club Joel Adkinson is President; Laverl Wallace Vice President; and Johnny Locklear Secretary. Song Leaders are Emmitt Gilson and Dewey Sims. Devotional Leader is Truman Lewis and Game Leader is Jackie Howell.

In our 4-H club work, as in other phases of Extension work in Coffee County, we are greatly indebted to volunteer adult leaders who help with the program. Indeed, if it were not for leaders over the county, we couldn't do the many things being done by and for the people of the county.

New Developments

Keeping up with the new things being developed keeps me, and I'm sure a lot of other people somewhat confused, on new farm discoveries being made. We read in farm maga-

zines and papers results of research carried on by public and private organizations. One recent development is the use of a spray to control cattle grubs. I guess farmers everywhere, even some of the oldest in Coffee County, have been seeing cattle grubs in the backs of cattle all their lives. It won't be long before research will completely whip this troublesome pest. Other developments include growth stimulants and nerve calmers better known as "tranquillizers". With the development of all these things, fewer people will be getting their kicking. Naturally the kicked by cows and fewer cows will be whipped because of most important thing is the fact that animals will fatten faster on less feed. All these things remind me of the tremendous changes taking place on the farm today. I believe that we have just begun to scratch the surface on a whole host of new developments in the years ahead. 4-H Club members and others learning about these things and how they can be used to make money on the farm will surely be in a much better position to succeed than their fathers and forefathers. I have mentioned only two or three developments but there are dozens of others of equal or even greater importance which are just around the corner. Yes, it's great to live in a country so magnificently blessed in so many ways.

I had before this week a review of the demonstration results from the 4-H Club, George Clark, and Jimmy Eze all of Kinston. The boys measured their corn and calculated the yield per acre. Howard Smith estimated he made 40 bushels per acre; George Clark made 75 bushels and Jimmy Eze made 54 bushels. Corn is the No. 1 feed for hogs and poultry and it is used to feed beef cattle and dairy cattle through the winter. So those of us in the County Agent's office are delighted that our yields are good this year. We have a lot to be thankful for this year. Corn and peanuts made good and both hogs and cattle are selling at good prices. This combination doesn't occur very often and it certainly couldn't have come at a better time than now.

TROY HOMECOMING

The people of Troy and Pike County will show their appreciation to Troy State College for educating their children over the past 71 years by staging a parade in honor of the college, Saturday, October 18, in conjunction with the annual Troy State Homecoming.

One cow producing 10,000 lbs. of four percent milk per year will return as much income beyond feed costs as three cows that produce 5,000 lbs. of four percent milk. Also, three low producers require three times as much labor as one good cow.

To: Bobby's Church School Teacher
From: Bobby's Parents

"You're O.K."

That's the highest praise in our Bible's vocabulary! You must be as busy as we are... keeping house, raising a family, meeting all the challenges of parenthood.

Yet you volunteered to teach a dozen little ones the great truths of Christianity.

You sacrifice hours every week... in preparation, in prayer, in patience.

But, because you are part of the Church—the one institution which lives to serve God and man—we have taken you for granted.

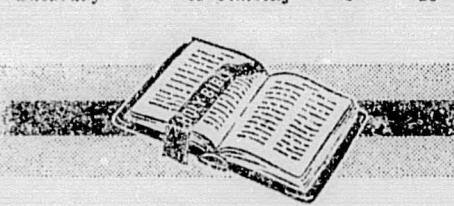

We'll be at worship next Sunday. Bobby wants us there. And seeing what the Church means to him, we want the same spiritual foundation for our own lives.

Thank you! We marvel at all you have done for Bobby without our help and example. How much more we will accomplish together... Bobby's parents, Bobby's teacher, and OUR God.

THE CHURCH FOR ALL

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Russell Cash announce the birth of a son, born October 4, at the Johnny Kimmey Memorial Clinic. Russell Lamar weighed seven lbs. and four ounces at birth.

Two Young Cousins Mark Birthdays At One Party

Two young cousins celebrated their birthdays Saturday, October 11, with a series of festivities. At eleven o'clock a truck from the Boyd farms at

Richburg arrived to take the young guests out to wish "Happy Birthday" to Lee Boyd, who was nine years old.

A picnic lunch was served under the large old trees that shelter the house and the yard was filled with the glad cries of childhood.

Attending were: Sherill Cooper, Sherill Devane, Donna Hickman, Lavanda Hocutt, Murray Vaughan, David Stokes, Becky English, Larry Bruce, Johnathan James Thomas, Kim Dorsey, Buddy Seay, Pam Vaughan, Dixie and Roy King Jr., Hamp Hoge and Phyllis Wooten of New Brockton, Enterprise, and Susan Larkins of Decatur.

At three thirty in the afternoon, Dixie King began to greet the youngsters who came to help her celebrate being six years old. A dream of a cake stood on the refreshment table.

A pretty doll whose bouffant blue doll dress was made of cake embossed with pink candleholders and tiny candles. A Boy yd III, were in Montgomery this past Monday.

Treat your pastures as a crop. don't let weeds make seed; mow or spray them regularly. It will pay off now and in years to come.

Personals

Mrs. Phouso Kilgore of Birmingham visited over the weekend in the home of Mr. and Mrs. P. G. Mathis.

Mr. and Mrs. Clarence Lee of Enterprise spent the day in Elba on Saturday as the guest of Mr. and Mrs. Gardiner Clark.

Mr. Eugene Jacobs is recuperating at his home since returning from the hospital last week.

Mr. Drexel Cook, member of the State Legislature, spent last Saturday in Ozark attending the annual meeting of the Third District Alabama Education Association Teachers Meeting.

Mr. Fulton Clark and Mrs. L. A. Boyd III, were in Montgomery this past Monday.

Elba Bridge Club Entertained By Mrs. Cooper
Mrs. Robert Cooper was hostess to the Elba Bridge Club Sept. 30, when she entertained at her home on the Brantley Road. Red roses graced the piano and card tables were set up in the family room.
Miss Susan Cooper graciously assisted her mother with the serving. Guests were Mrs. Hendrix Jeter Sr., and Mrs. Harvey Waters. High score prize was won by Mrs. Willard Martin and Mrs. Waters claimed Bingo.
Three-In-One Study Club Discusses Mental Health
The Three - In - One Study Club was honored October 2 when Mrs. Mayo Prescott, Miss Topsy Rhodes and Mrs. J. Bryant entertained at the home of the latter.
A delicious dinner was served to the club members.
Mrs. Sam Sawyer, president, presided over the program which included a talk on mental health by Mrs. Paul Windham and a devotion by Mrs. P. G. Mathis.
Attending were: Miss Lillian Rowe, Mrs. James English, Mrs. Stokes Hairo, Mrs. Vivian Crenshaw, Mrs. Pricer Rhoads, Mrs. Levy Morrow, Mrs. Baxter Bryan, Mrs. Curtis Duke, Mrs. Jim Whitman, Mrs. William Bullard, Mrs. Sam Rowe, and Mrs. J. W. Kendrick.
Clothes closets that seem damp can be helped by placing an electric fan in the doorway to blow air through the garments. See that the clothes are not hung too tightly on the clothes rod. An electric light left burning in the closet will also dry the air.

FARMERS

Continued From Page 6
Big Business
For Alabama as a whole, livestock and poultry in 1940 was a cash business of \$26,503,000. Of this \$5 million was for hogs, \$7 and one-half million, cattle and calves, \$8 million, dairy products, and \$5 million for chickens and eggs.

These are dollar figures. Volume, or number, would not always move in step with total dollars because prices are a major factor in determining dollars, and prices fluctuate.

Extension personnel in Coffee County: J. R. Speed, T. C. Casaday, M. B. Tidwell, Mrs. Sarah Hutchinson, Mrs. Tommie Wakefield, are optimistic about the future of farming and farm living.

SAMSON TO ROAR INTO ELBA FOR TILT TOMORROW

By Bobby Innman

After a stunning 14-13 homecoming game upset of the highly regarded Hartford Bulldogs, Elba High faces the tough Samson Tigers in Elba Stadium tomorrow at 8 p.m.

Samson, unscathed upon this season, has not lost a game, and has been tied only once, that being 0-0 by Hartford.

Hiding High
Hartford came to Elba ranked high in the Conference, and riding high on the tide with Hartford, and a 20-13 licking of Ozark.

The Bulldogs started strong, scoring both touchdowns in the first game, Thurston Byrd, scored both touchdowns, and made the only extra point. The Tigers were getting started as the visitors bench was beginning to relax, and started the second quarter strong, scoring a touchdown on a one-yard plunge by Tom Dyess and PAT by Earl McCollough.

Comes Back Strong
After excellent halftime shows by the bands of both schools, Elba came back strong to score again in the third period on a 12 yard off tackle keeper play by quarterback Jimmy Wise, Billy Joe Brunson, running from the fullback slot, smashed over for the extra point that provided Elba's margin of victory.

The third quarter was an awesome display of defense, as the Tigers held Hartford to almost negligible yardage, while threatening the visitors' goal several times.

The whole Elba team was outstanding against Hartford, and every member of the Elba team was a credit to the school. The excellent condition of the Tigers in the second half was apparent, as they ran roughshod.

Scoring: Hartford, TD's Byrd 2, Pat Byrd, Elba TD's Dyess, Wise, Pat McCollough, Brunson.

LAW OFFICERS ELECT FULLER AS PRESIDENT

Circuit Solicitor Kenneth Fuller was elected president of the Coffee County Peace Officers Association at an organizational meeting held Oct. 14 at the municipal building, New Brockton.

PENSIONERS IN COFFEE RECEIVE AVERAGE \$48.40

Coffee County old age pensioners on an average received an average of \$48.40 in August and an income and resources of \$10,502 in addition to their pension checks which averaged \$37.88, Mrs. Grace M. Ebert, Pensioners and Security Director said today.

The Director explained that an analysis of all old age pension recipients in the state in August showed that 69.47 per cent had some income and resources. The payments obviously were less for this group than for the 30.53 per cent with nothing but their pensions.

In Coffee County, Mrs. Ebert said the number of recipients with some income and resources was 637. She said county-by-county variations from the State average were due to such factors as social security coverage, whether people raised products to sell, and how many had contributions such as a place to live. Many Coffee County pensioners have no resources at all, and few get contributions in cash or in kind. This is one reason the figure is below the state average.

It is encouraging to note, Mrs. Ebert said, that the average pensioner has had close to \$50 a month from both the present monthly payments of \$37.88 and income and resources, Mrs. Ebert added that "this amount will be even higher when increased checks are mailed out later this month."

Alabama has an abundant rainfall averaging 53 inches for the State per year.

The Appalachian Mountains extend into Northeast Alabama and include the State's highest elevation, Mt. Cheaha, at Talladega, 2467 feet.

A new fence is planned as part of an all-day clean-up at the Pleasant Ridge Church cemetery Saturday, October 23, by John C. Goodson and Mark McCollough, committee in charge. Everyone taking part is asked by the committee to bring five posts, working tools and lunch for noon.

ONE TO BE DRAFTED
One will be drafted from Coffee County in the November Service call, according to James W. Jones. The total for Alabama will be 385 and for the nation 11,000.

EDUCATORS NAMED
L. H. Sessions, chairman of the Enterprise School Board, and C. E. Peacock, superintendent of education for Coffee County, have been appointed to the Steering Committee of the Alabama Association of School Boards for one year.

DAMASCUS HOMECOMING
A Homecoming "Pay For Home Day" will be held at the Damascus Baptist Church Sunday, November 2, with an invitation extended to all former pastors, members and friends. Preaching and singing will continue throughout the day with dinner on the ground at noon.

EUFULA PAYS ITS OWN WAY TO BETTER SCHOOLS

(Editor's Note: The proposed new school tax in Elba is brought into sharp focus by an article published recently in The Dothan Eagle about the schools at Eufula. The article is quoted here in part.)

EUFULA—Mayor Marvin E. Edwards believes that any town in the country can build adequate schools without state and federal assistance, and he points to the situation in his town as an example.

"There's no need to go looking to the State of Alabama or to ask the federal government for anything," he declared. "If the people of a community just make up their mind they want something, they can get it. You can't get something for nothing."

Edwards, of course, is proud of the fact that Eufula has built more than a million dollars worth of school buildings and improvements during the past eight years and is paying for them well ahead of schedule.

"We probably are the only town in the country with more school space than we need," he said. "And we did it by ourselves. Anybody can do it if they make up their mind they want it."

"We can build anything we want and need and we don't have to ask for outside help. It's cheaper in the long run to do it this way."

Because of other responsibilities, Patrick Reynolds, NFA President, resigned and accepted the position of vice president in exchange with Moore.

Bernard Reynolds was elected dean of pledges and Willie English as his assistant.

James L. Dawson is vocational agriculture teacher and NFA advisor and Mose H. Tucker is chapter president.

Other first-year officers were:

J. C. Lewis, vice president; Ed Jones, secretary; treasurer; and the following to serve with the officers on the board of directors: Collis Parrish, Lister Brunson and Stanley Peacock.

THE CIVILIANS VOTED TO SPONSOR A float in the Fall Festival parade Nov. 1 and to sponsor a citizenship award to be presented to the outstanding Elba High School Senior each year.

The Association represents 40 churches, with approximately 10,000 members. "We urge our senator and representatives to fight with all their power any effort to legalize dog and horse racing and gambling in the state," said the resolution.

THE ASSOCIATION REPRESENTS 40 churches, with approximately 10,000 members. "We urge our senator and representatives to fight with all their power any effort to legalize dog and horse racing and gambling in the state," said the resolution.

THE ASSOCIATION REPRESENTS 40 churches, with approximately 10,000 members. "We urge our senator and representatives to fight with all their power any effort to legalize dog and horse racing and gambling in the state," said the resolution.

BAPTISTS HERE OPPOSE RACING AND GAMBLING

The Coffee County Baptist Association opposed any effort by the next Alabama legislature to legalize dog and horse racing in Alabama, and to legalize gambling, in a resolution adopted at the annual session of the County Line Baptist Church, Enterprise, last Friday, Oct. 17.

The Association represents 40 churches, with approximately 10,000 members. "We urge our senator and representatives to fight with all their power any effort to legalize dog and horse racing and gambling in the state," said the resolution.
